## 4th Year Externship Application

Memphis Audiology is a hearing health care clinic located in Collierville, Tennessee, located just outside of Memphis. It is our mission to provide trusted, compassionate hearing health for children and adults with an emphasis on educating patients and providing them with the necessary tools to maintain proper hearing. We are a small group of outgoing medical professionals that are passionate about providing a welcoming and stress-free atmosphere for our patients. Trained with the most up-to-date techniques and technology in the audiology field, we work tirelessly to deliver five star healthcare with our signature southern hospitality.

We are looking for a Doctorate of Audiology extern that displays a desire to work with patients aging 6 years to 100 years of age in a private practice setting. A good candidate will have strong interpersonal skills, the ability to establish a rapport with patients quickly, proficient clinical knowledge of diagnostic audiology and hearing aid management, and who comes with a willingness to learn and a desire to gain independence.
